About LifePark's Summer Internship

Equipping young leaders to serve Christ with integrity and excellence is a high calling. The Church at LifePark has identified a ministry imperative that has motivated our church to help raise up young leaders in the church. During the summer LifePark offers college students and recent graduates the opportunity to devote a season of time to spiritual growth and self-discovery through service and study.

Equipping/Instruction

Throughout the internship, interns will be taught by LifePark pastors and leaders on topics such as Bible study methods, gospel-centered living, the local church, missions, spiritual gifts, worship, spiritual disciplines, leadership, and more. These teaching times are designed to equip interns with foundational truths that will build character and knowledge that is essential for their role as healthy members in a local church and community.

Practical Ministry

Interns will serve throughout the summer and will gain "hands-on" ministry experience. Interns may also spend some time visiting other ministry areas in order to observe other opportunities within the church. Interns may be asked to teach, train, lead, listen, observe, build, and connect in a variety of different ways.

The Main Things

The Great Commandment & the Great Commission fuel the work of our church. Interns can expect to grow closer to Christ through worship, fellowship, discipleship, serving in the church and evangelism. Jesus has called us to take the good news to people, in word and deed, and students will participate in local and regional mission opportunities.

We believe the primary context for life-change is within relationships. LifePark summer interns will have staff mentors and will be challenged to lead others throughout the summer.

Frequently Asked Questions:

Who can be an Intern?

Any recent college graduate or current college student that has completed their freshman year.

What is the start and end dates of the 2019 summer internship?

The start date is May 19th and the end date is July 28th.

Is this a paid Internship?

Yes, LifePark will provide a stipend for the summer as well as cover the cost of ministry expenses throughout the semester. (For out of town interns, we will assist with finding a host home.)

How many hours per week is the Internship?

The internship will be approximately 20 hours a week and will be spread out throughout the week. This schedule will fluctuate based on evening and weekend responsibilities. *Please note that each intern,*

regardless of ministry area, may be encouraged to participate in the high school mission trip based on demand. This is an important way that interns will grow by leading on site in a mission environment. Each summer this trip is very formative for our interns.

High School Mission Trip – June dates TBA | Middle School Summer Camp – July 8-12 | Children’s Camp – Date July 24-27. Student Ministry Interns are required to attend both student ministry trips. The KidsPark Intern is required to attend Children’s Camp. Noah’s Park & KidsPark Interns will be required to participate in Vacation Bible School (June 24-27). If there is any confusion over this, please email hillary.dabrasky@lifeparkmp.org for clarification. We can be flexible about certain things and would not want a person to not apply because of a conflicting date.

Sunday, Tuesday & Wednesday mornings are required work times. Other hours of an intern’s weekly schedule will be set by an intern’s direct supervisor.

Can I work another job or take summer classes in addition to the Internship?

Ideally the internship works best when it receives focused attention as the primary focus for the intern. However, if an intern desires to have another job or take classes that will not conflict with the internship, that is understandable. Please note that in the past, taking summer classes has caused some distraction, so be wise and well-thought out if registering for summer classes. This is an ‘all-in’ internship that requires energy and passion. The intern needs to be committed for the summer in order to get the desired experience.

Do I have to currently attend or be a member of LifePark?

No, this internship is designed for all next generation leaders in the church. We feel compelled to help equip you regardless of where you attend church locally. It is important to note that while an intern, you are asked to attend LifePark’s worship services throughout the summer.

Is this Internship just for future pastors or church leaders?

No, this internship is for college or graduate students who desire to grow in their understanding of Jesus, the church, and their role as a future part of Christ’s Kingdom. We do however believe that this internship will be most valuable to those considering full time vocational ministry. This factor could come into play as we review candidates.

When is the deadline for the application? And when will interviews be held?

The application period will be from December 1, 2018 to January 31, 2019. However, a rolling deadline is in place until positions are filled or until the ministry leader makes a call to alleviate the position for the summer.

After an application is received the applicant will be contacted by someone from LifePark about an interview time. Most interviews are done over skype, depending on location of applicant. Please note that certain internships have been and can be competitive and the fulfillment of a position will be at the discretion of each area's supervisor.

About The Church at LifePark:

The Church at LifePark is located in Mount Pleasant, SC and has been in the community for almost 10 years. The story of LifePark began with First Baptist Church of Mt. Pleasant, SC. In the 1979 the vision-minded congregation of FBC Mount Pleasant purchased 34 acres in the northern most part of the city limits, with the hopes of one day starting a new church to reach more people with the life-changing message of Jesus. In the Spring of 2009, The Church at LifePark, First Baptist's second campus, began meeting on Sunday nights at another church's facility. In March of 2010 the new facility for The Church at LifePark was opened in this now growing part of Mt. Pleasant. On July 1, 2014, The Church at LifePark became an autonomous church and currently averages nearly 1,900 people on Sunday mornings.

The Church at LifePark exists to make mature followers of Jesus Christ through knowing Christ, growing in community, and sharing the Gospel.

If you are interested you can read more about beliefs on our website, www.churchatlifepark.org.
