Introduction

Main Idea: Foolproofing your finances requires mastering money and not letting it master you. Money is a wonderful servant but a terrible master.

I. Mastering Money Begins With Working To Earn Money

*Develop a great work ethic

Lazy hands make for poverty, but diligent hands bring wealth. Proverbs 10:4

All hard work brings a profit, but mere talk leads only to poverty. Proverbs 14:23

*Increase your value by improving your skills

Do you see someone skilled in their work? They will serve before kings; they will not serve before officials of low rank. Proverbs 22:29

II. Give To God First And Trust He Will Bless You

*This is Lordship and faith issue.

Honor the LORD with your wealth, with the firstfruits of all your crops; ¹⁰ then your barns will be filled to overflowing, and your vats will brim over with new wine. Proverbs 3:9-10

The blessing of the LORD brings wealth, without painful toil for it. Proverbs 10:22

III. Always Save For Future Needs

Go to the ant, you sluggard; consider its ways and be wise! ⁷ It has no commander, no overseer or ruler, ⁸ yet it stores its provisions in summer and gathers its food at harvest. Proverbs 6:6-8

Dishonest money dwindles away, but whoever gathers money little by little makes it grow. Proverbs 13:11

IV. Live Wisely On The Rest

*Minimize Debt (Proverbs 22:7)

*Be generous (Proverbs 11:25)

*Automate what is important!
