

NOAH'S PARK

Wellness Policy

In order to provide a safe and healthy environment for all of our children, **we must ask you to keep your child at home if he or she has experienced any of the following symptoms:**

- Fever of 100.4 degrees or higher within the past 24 hours
- Wheezing or shortness of breath
- Persistent and/or productive cough or sore throat
- Constant runny nose with yellow/green tint
- Diarrhea, vomiting, complaints of stomachache
- Pink eye or other eye infections
- Any skin infection or undiagnosed rashes
- Pale/flushed skin color
- Extreme fatigue/lethargy
- Any symptoms of common childhood diseases such as chickenpox, strep throat, hand foot and mouth, head lice, pertussis, whooping cough, etc.

`If your child develops any of the above symptoms while in NoahsPark, the parent will be notified. Please remove your child as soon as possible to avoid spreading the infection.

`If your child is on antibiotics, he or she needs to be on the medicine for 24 hours before returning to NoahsPark.

`We appreciate you working with us and thank you for your cooperation in keeping NoahsPark a safe and healthy place to be.
