

# *The Care Team*

*Dr. Librizzi*

*Dr. Librizzi is on staff as the Associate Pastor of Care. He has an undergraduate degree in Theology, a master's in Counseling, and a doctorate in Psychology. His specialization lies in seamlessly merging the profound insights of the Christian faith with the practical techniques of Cognitive Behavioral Therapy, a synthesis honed over decades of dedicated counseling experience. He is available to see clients on a short term basis, for a few sessions.*

*Laura is on staff as our Care and Prayer Coordinator. With an undergraduate degree in Psychology and a Master's Degree in Pastoral Counseling, Laura is dedicated to guiding her clients toward deeper healing and personal growth. Her approach integrates Biblical principles, offering encouragement and insight to help individuals build a more fulfilled and Christ-centered life.*

*Laura Dudley*

*Dr. Higgins*

*Dr. Higgins serves as our dedicated Care Minister, offering invaluable guidance to individuals and couples navigating life's challenges. With a profound commitment to Scripture, he provides compassionate, faith-based counsel that addresses both immediate concerns and deeper, long-term needs. While he is available to offer initial support to women, his expertise shines in providing ongoing, in-depth counsel for men and couples.*

*Sabrina is an intern at LifePark with a profound passion for helping others navigate life's challenges. Inspired by personal experiences with loss and hardship, Sabrina has developed a deep empathy and a strong faith in God's guidance through difficult times. Sabrina is currently pursuing her Masters in Marriage and Family Therapy. She is able to provide counseling for individuals, couples, and families.*

*Sabrina Gilliam*

*Brooke is an intern at LifePark where she brings a deep commitment to counseling inspired by personal experiences and work as a foster care caseworker. She is currently pursuing a Clinical Mental Health Counseling degree while working in foster care. Brooke is able to provide longterm counseling sessions for those that she sees. She views each session as a valuable opportunity to witness and support clients through their journeys.*

*Brooke DeLoach*

*LifePark Care assists individuals in navigating some of their life's complex and challenging situations with a compassionate heart and a Christ-centered approach.*
